Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 05 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers easing. Clearing skies and a sharp frost overnight.

This Evening and Tonight:
Showers easing from most areas through the evening leaving a dry and clear night for most, but maybe some showers lingering across East Anglia. Isolated fog patches forming under the clear skies, with a local frost possible by dawn. Minimum temperature -1 deg C (30 deg F).

Thursday:
Cold but bright or sunny start, but showers soon bubbling up. Showers continuing into the afternoon, turning heavy at times with a risk of hail or thunder. Maximum temperature 13 deg C (55 deg F).

Outlook for Friday to Sunday:
Dry and bright with spells of sunshine on Friday. A dry and bright start Saturday, then windy with persistent rain later. Windy with heavy showers during Sunday.
